## What is Sculptures on Parade?

Founded in 2012, River City Sculptures on Parade, Inc. is a non-profit organization run by volunteers with a mission to bring a significant display of public art to Mason City. Currently, 62 sculptures are displayed in an annual exhibit along a 1.7 mile route. Rotating sculptures are owned by the artists and loaned to the exhibit for one year. They are available for sale or lease. Each summer, participants vote for their favorite sculpture via ballot, and the winner of the People's Choice Award is purchased by the City of Mason City for the growing permanent collection.
